About Us

ADVENTURE UNLIMITED: Adventure Unlimited accomplishes its mission of “Opening Windows to God” by providing life-changing experiences to Christian Science youth, adults and families. We fulfill this mission through the programs of **two distinct divisions** – the **A/U Ranches** and **DiscoveryBound**.

A/U Ranches: The A/U Ranches provides programs throughout the year in a loving and inspiring atmosphere that helps individuals realize their potential.

- **Youth Programs** – mountain, water and horsemanship adventure activities help young people practice Christian Science and cultivate a deeper relationship with God
- **Adult and Family Programs** – open to Christian Scientists and their family and friends of all faiths, these programs afford the same adventure opportunities as our youth summer camp
- **100 Elk Outdoor Center** – provides groups from around the Rocky Mountain region with outdoor education experiences that reveal the possibilities within

DiscoveryBound: Christian Scientists and the greater community are served through fellowship in a dynamic, loving, healing and inspiring atmosphere, which encourages growth in understanding Christian Science and service to the world.

- **Outreach** – year-round, local chapter activities and weekends that promote fellowship for Christian Science youth, adults, families and friends of all faiths
- **National Leadership Council (NLC)** – a four-year servant leadership program for Christian Science high school students, which fosters spiritual growth, leadership skills and a desire to serve
- **Compass** – a one-year program for Christian Science 10th-12th grade students focused on developing life-long friendships with CS peers and a better understanding of their connection with God
