For the summer of 2020 only, we are offering a Youth Adventure Day Camp at the A/U Ranches. Comprised of five one-week sessions, campers will enjoy a variety of outdoor adventure activities in age-appropriate groups (2nd-3rd, 4th-5th, 6th-8th and 9th-12th grades). Campers can attend multiple weeks. We're excited to try this new format and continue offering camp in a way that complies with current regulations.

Youth Adventure Day Camp 2020 is open to all members of the greater Buena Vista, CO community, and to any Christian Science families from out of town who are able to arrange their own accommodations. Spanish speaking staff are available to work with Spanish speaking campers. And all appropriate COVID precautions (hand-washing and sanitizing, staff will wear masks, campers will remain in their same group throughout the week) will be taken in this loving environment free from fear.

Programming runs Monday through Friday from 9am to 4pm with staggered starts. Parents/guardians drop their campers off every morning and pick them up every afternoon. Campers need to bring their own lunch and water bottle each day. (Morning and afternoon snacks are provided.)
