

Life Insurance Gift

Make a gift of life insurance today!

Did you know that you can give a life insurance policy to Adventure Unlimited today and receive a charitable income tax deduction? If you have a whole-life or universal-life (non-term) insurance policy that has significant cash value and you no longer need the death benefits, you can transfer it to Adventure Unlimited and qualify for a charitable income tax deduction. You can then make deductible contributions to Adventure Unlimited each year, which we may use to pay the premiums. We benefit from the future death benefits of your policy.

You can also designate Adventure Unlimited as the beneficiary of your life insurance policy without transferring ownership of the policy. You will continue to own and can make use of the policy during your lifetime. We will receive the death benefits when you pass away and your estate will benefit from an estate tax charitable deduction for the value of the gift to us.

We encourage you to speak about this gift opportunity with your attorney or tax professional. We would also be happy to connect you with our philanthropic advisors to help you determine if a gift of life insurance to Adventure Unlimited makes sense for you.
